ABOUT DR. BARBARA STURM

Dr. Barbara Sturm is a German doctor, aesthetics expert and anti-inflammatory pioneer with a background in orthopaedic research. Famous for the signature STURMGLOW™, her uniquely non-aggressive skincare approach is inspired by her training as an orthopaedic doctor and years of research into anti-inflammatory medicine. Her range of skincare and supplements are based on ingredient innovations informed by molecular science and potent natural extracts that strengthen and improve the skin, without attacking it.

Dr. Sturm also offers a new generation of cutting-edge, medically-inspired spa treatments. The results-driven, bespoke treatments all incorporate Dr. Barbara Sturm's Molecular Cosmetics skincare collection.
